CONTINUING PARTNER AGREEMENT			
Our organization is a partner in EPA's National Partnership for Envi	ironmental Priorities. Our continuing goal is to reduce the quantity		
of one or more Priority Chemicals currently found in our products, p			
recycling, or other materials management practices. We have either			
process of achieving it. In this form, we identify one or more additional voluntary goals that we believe we can achieve as continuing partners in this program. The additional voluntary goal(s) provided below is an initial estimate and may change over time. We may revise our additional goal(s) or withdraw from the program at any time. If/when we choose to revise our goal(s) or withdraw from the			
		program, we will notify EPA.
